

The 4x Brighter Matching Appeal 2018

We want to make Christmas 4x Brighter for kids who are blind or have low vision!

Thanks to the generous donations of the Vision Australian community, for just 24 hours on Christmas Eve, every dollar we raise will be matched to have 4 times the impact.

This means, during Carols by Candlelight, \$50 = \$200 in impact for Vision Australia's children's services!

We want to raise \$2 million, so that we can provide:

- 4 times as many copies of Harry Potter in Braille and audio formats;
- 4 times the number of white canes for navigating the playground;
- 4 times more mobility services for finding the right classroom; and so much more to support kids to be independent.

Sign up now to follow the countdown. We'll let you know as soon as the 24 hour Appeal begins, so you can see your donation have 4x the impact for kids who are blind or have low vision.
